Budget Officers are requested to forward a copy of this Budget Letter to Departmental Human Resources and Labor Relations Officers.

This Budget Letter (BL) reminds State departments that Office Revolving Fund (ORF) disbursements are prohibited for fiscal year 2003-04 payments until the 2003 Budget Act becomes effective. Generally, this restriction applies to ORF payments for travel advances, travel expenses, discount invoices, and other payments made by ORF check.

Government Code Section 16401 requires that all ORF disbursements be in accordance with law. Until there is a 2003 Budget Act, there is no spending authority for many 2003-04 related disbursements. However, revolving fund disbursements for the prior year may be allowable during this time period.

Employees subject to the Fair Labor Standards Act must be compensated for work performed. Therefore, ORF disbursements are permissible for salary earned when errors or delays prevent the payroll warrant from being delivered. The amount of the ORF check will be as close as possible to the actual net pay of the Controller's warrant, in accordance with State Administrative Manual Section 8595.
